

## TACS4 “Regulatory & Approval Database Service” Access License

This document describes the license of use of DEKRA TACS4 “Regulatory & Approval Database Service” applicable to the access and use of the information offered in [https://wireless.dekra-product-safety.com/ita\\_database/login.php](https://wireless.dekra-product-safety.com/ita_database/login.php) for the purposes of access to global information and country specific information requirements related to radio type approvals and, according to the provisions contained herein.

The referring URL is owned by DEKRA Testing and Certification, S.A.U. (hereinafter, "DEKRA"), a Spanish company, founded and located at C/ Severo Ochoa, nº2, 29590, Malaga, Spain.

### Stipulations

**FIRST.**- DEKRA offers this “Regulatory & Approval Database Service” across a number of countries, the number of countries might vary along the time.

DEKRA includes a number of technologies in this “Regulatory & Approval Database Service”; the number of technologies might vary along the time.

Information means the data collection designed and made by DEKRA and offer through this Service. These data is taken by DEKRA from external sources. These sources are different sources available in each country.

DEKRA provides to the User support through [terd\\_one\\_support.es@dekra.com](mailto:terd_one_support.es@dekra.com). DEKRA commits to offer a first response to any communication within 24 hours after receiving any email during working days in Málaga (Spain).

The User will identify the actual persons who will be accessing to the “Regulatory & Approval Database Service”. Once the USER has issued the corresponding purchase order for the License, DEKRA will provide them via e-mail the necessary passwords to access the “Regulatory & Approval Database Service”.

These passwords cannot be transferred and are associated to the specific emails to the authorized users.

The USER agrees to inform to DEKRA if detection of any bug in the “Regulatory & Approval Database Service” or any inaccurate. DEKRA agrees to review and, if it proceeds, to fix the bug and/or updates any inaccurate information.

**SECOND.**- For the purposes of this document, the term “User” means physical or legal beneficiary of the cession of use of Information through the License, which assumes the obligations and responsibilities contained herein.

A los efectos de la presente licencia, solo tendrán la consideración de “User” los fabricantes de dispositivos de telecomunicaciones.

Also, the term “Third party” means the physical or legal person not involved in this contract.

The User, by accessing to the information, is accepting the content herein.

**THIRD.**- By means of this document DEKRA grants the User a non-exclusive, non-transferable, License with limited and restrictive access and internal use of the information for the sole and exclusive purpose to access to global and country specific information related requirements radio to type approvals.

The User may not assign, delegate, sublicense or transfer this License and its rights and obligations without the prior written consent of DEKRA.

For the purposes of this License, the entire contents of the “Regulatory & Approval Database Service” are considered confidential. In this sense, the User is obliged to not donate, divulgate, copy, provide, permit or lease the information either free or for compensation to any Third Party.

The User agrees not to disclose information, either intentionally or due to negligence in handling to any Third Party.

This License explicitly prohibits the user to distribute or sublicense Information.

Each access license includes a maximum of 5 users, as defined in stipulation #2 of the Regulatory and Approval Database Service's terms and conditions

**FOURTH.-** DEKRA doesn't assume any responsibility with regards to either any phone or data services required by the User to access the Information; or on the availability of the mentioned services.

**FIFTH.-** DEKRA doesn't assume any responsibility regarding the use of Information done by the User. Also, DEKRA do not guarantee the accuracy or validity of data contained in the information, but only that it has been obtained from sources mentioned in the First stipulation.

Any business, technical or in general any decision that the USER takes using the Information included in the Regulatory & Approval Database Service is the user company own and sole responsibility.

The data will be properly and accurately updated according to the information provided with regards to each country by all the external sources as of the publishing date. However, this information could be modified after the mentioned publishing date.

Given the large volume of information that it is included in the Regulatory & Approval Database Service and the multiple sources that provide its contents; both the USER and DEKRA recognize that the contents might not be up to date over the time.

DEKRA executes a yearly update of the Information included in the Regulatory & Approval Database Service, updating the data that up to date had been updated by the actual external source.

Any User of the Regulatory & Approval Database might request an immediate update of a certain number of countries and technologies, based on its own needs and priorities; this is considered a customized service that DEKRA will quote separately to that User.

**SIXTH.-** The User shall be liable in regards to DEKRA for damages arising from any breach of the obligations under this License, so the user, than any of their legal representatives, directors, employees, agents, consultants and subcontractors.

DEKRA may claim the User, for all damages caused directly, as well as the indirect damages, profit loss, general damage or opportunity cost.

**SEVENTH.-** This License is effective from the moment that the user is provided with access to the Information and will be valid for one (1) year. After this period, the parties may agree extensions, unless DEKRA, for deemed reasons, and with no need of justification, considers unilaterally not to extend the License, or to stop allowing access to the Information, or even if DEKRA decides to modify the terms of this License and the User will not accept them.

Usage restrictions contained herein, shall remain in force for a period of ten (10) years after the license will expire whatever its cause.

**EIGHTH.-** This License shall be terminated at the expiration of the period established in Clause 7, as well as (i) if the User do not pay any outstanding invoice related to the License; (ii) any violation of the terms and conditions included in this document; (iii) in the event of an alteration in the structure of the capital of the User or if the User enters in a merger, sale or split up, or purchase by a third party process, when this third party is a direct competitor of DEKRA.

**NINTH.-** Each of the provisions contained in this License shall be construed separately and independently from the others. If any of them shall pass to be invalid, illegal or unenforceable under any legal rule or is adjudged invalid or unenforceable by any court or administrative body, the invalidity or unenforceability of it will not affect the remaining provisions, which shall remain in full force and efficacy. DEKRA and the User agree to replace the provision or provisions affected by another or others having the corresponding effects in the aims pursued by DEKRA and User in this License.

This License and its interpretation are governed by the laws of the Kingdom of Spain. Any claims, legal proceedings or litigation arising in connection therewith are subject only to the jurisdiction of the courts of the city of Málaga (Spain).
